INSTALLATION

Customer Information: The information in this installation instruction is intended for use only by skilled technicians who have the proper tools, equipment, and training to correctly and safely add equipment to your vehicle. These procedures should not be attempted by “do-it-yourselfers.”

NOTE:

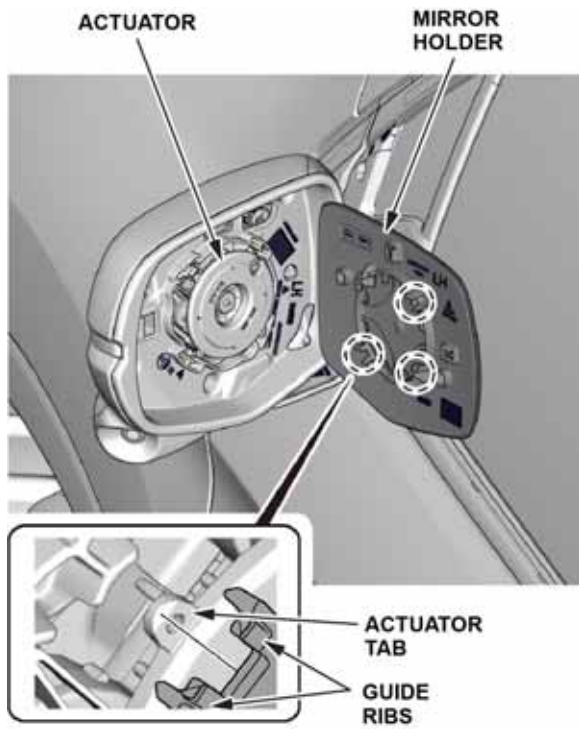

- Be careful not to damage the vehicle.
1. Insert the shop towel between the mirror holder and the door mirror visor to protect the vehicle as shown.

2. Remove the mirror holder.

3. Align the guide ribs on the new mirror holder so they line up on each side with the actuator tabs. Install the new mirror holder on the actuator.

4. Move the mirror holder in all directions to confirm it is installed securely.
